EXAMPLE CONTENT (FOR INSPIRATION ONLY)

Example Service Description: "Our residential deep cleaning service transforms your home from top to bottom. We tackle the dirt and grime that regular cleaning misses—inside appliances, behind furniture, high corners, and baseboards. Using eco-friendly products safe for your family and pets, our trained team typically spends 4-6 hours ensuring every room sparkles. Perfect for spring cleaning, post-renovation, or preparing your home for special occasions. You'll enjoy a fresher, healthier living space without lifting a finger."

Example Testimonial: "I was skeptical about hiring cleaners—I'm pretty particular about my home. But Simca's team exceeded every expectation. They noticed details I hadn't even mentioned, like the buildup on my kitchen cabinet tops. Grace, who led the team, was professional and friendly, and she made sure I was happy before they left. Two months later, my home still looks amazing, and I've already booked them monthly. Worth every shilling!" - Mary K., Lavington

Example FAQ: Q: What if I need to reschedule my appointment? A: We understand plans change! You can reschedule without penalty up to 24 hours before your scheduled appointment. Simply call us, WhatsApp, or email, and we'll find a new time that works for you. For cancellations or changes within 24 hours, a rescheduling fee of KES 500 applies. We're flexible and here to work with your schedule.
